WHAT PEOPLE ARE SAYING

“Working with Megan was a tremendous experience as I sought expertise to go “digital” with my zine-making. Her expertise, clear communication skills, patience and software knowledge gave me an up-to-date skill set for which I’m grateful!”
-- Hinda Mandell, School of Communication, RIT

“I really enjoyed learning about photography from Mike. He taught me to take pictures of some of my favorite places in the City of Rochester and edit them using Lightroom. I learned so much!” -- Jack
